Dornbracht VAIA

Create a new
balance

EN Transitional Style, a healthy balance between tried-and-tested features and new characteristics that is thought through, inviting and quickly makes you feel at home.

IT Transitional Style, un sano equilibrio tra convenzionale e nuovo, ponderato, accogliente e che fa subito sentire a casa propria.

ES Transitional Style, un equilibrado balance entre lo nuevo y lo conocido, meditado, acogedor y que proporciona la sensación de estar en casa.

VAIA

EN VAIA is as delicate as it is forward-looking. This series of fittings embodies a soft, balanced design language and an attitude which is always open to what is new. An elegant, progressive design for a new iconography of the modern age.

IT VAIA è caratterizzata da un design filigranato e allo stesso tempo progressivo. La serie di rubinetterie presenta forme morbide ed equilibrate ed un particolare gusto per la novità. Un design elegante e progressivo per una nuova iconografia del moderno.
